

A Free Monitoring Service for Local Notaries

NOTARY FRAUD ALERT

**Protect Your Notary Seal.
Protect Your Community.**

What Is Notary Fraud?

Notary fraud happens when someone forges your signature, misuses your notary seal, or notarizes documents illegally—often without your knowledge. This can result in property theft, legal trouble, and fines.

How the Notary Fraud Alert Works:

- 1 Sign up** at NotaryFraudAlert.com
- 2 Choose** daily, weekly, or monthly alerts
- 3 Receive** email or text notifications if a document with your name is recorded
- 4 Review** the alert for document type, names involved, and document reference number
- 5 Take action** if something looks suspicious

Why It Matters:

By catching fraud early, you're not just protecting your commission—you're helping preserve the integrity of the public record for your entire community.
