A county official or record custodian may demand prepayment of the fees established by this Resolution whenever he or she believes this to be in the best interest of the County. The prepayment amount shall be an estimate of the charges accrued in fulfilling the purchase or record request. Any overage or underage in the prepayment shall be settled prior to purchase or inspection of the requested item, record or delivery of the requested copies. (b) Prepayment of fees shall be required whenever, in the best estimate of the county official or recorded custodian, such fees are estimated to exceed \$10.00. (c) Where prepayment has been demanded by the county official or record custodian, no material, permit or record shall be made available to the requester until such prepayment has been made.

Section 4. Payment: All fees charged under this Resolution shall be paid to the county official or custodian of the records unless the requester has established an account, for the purposes of billing and payment with County or unless such fees are to be paid to the office of the County Clerk.
