

	
<p>For years, Tapestry has been provided as a service for the quick, remote access of the official public record. The time has come for this version of the service to retire, but a new and improved tool – Tapestry EON – is already available for you to start using. Check out that information to the right!</p>	<p>We are thrilled to share that Tapestry EON is now available to the public for remotely searching the official public record. Tapestry EON will provide more tools for reliable searching, an updated user experience, and additional search criteria.</p>

<p>Retiring at the end of 2024</p>	<p>LIVE NOW!</p>
<p>IMPORTANT REMINDERS:</p> <ol style="list-style-type: none"> <li>1. If you made a prepay account, please make an effort to use all funds before the end of the year. If you are unable to do so, Fidlar Technologies will communicate a refund process.</li> <li>2. Questions regarding the retirement of Tapestry should be directed to the Fidlar Technologies Support Team at <a href="mailto:Support@Fidlar.com">Support@Fidlar.com</a> or (563) 345-1283</li> </ol>	<p>IMPORTANT REMINDERS:</p> <ol style="list-style-type: none"> <li>1. Tapestry EON will still allow for non-member searching with your credit card. Membership is not required.</li> <li>2. All prepay users are asked to create a new Tapestry EON account. This will ensure the most updated information and a clean transition for all users. (Directions are below.)</li> <li>3. If you are interested in additional training on the new features in Tapestry EON, please visit <a href="https://fidlar.com/Tapestry.aspx">https://fidlar.com/Tapestry.aspx</a> to sign up for one of several free, live webinars. You will also be able to find recordings of previous webinars and help documents.</li> </ol>
